

# SON NGO

I am a highly motivated, highly competitive, highly intelligent, good-natured individual who loves the challenge of designing the next beautiful visual project. I am self-driven to be the best I can possibly be at all and everything I do or just really good. I have proven over and over I do not disappoint. I have meet and exceed expectations in all the roles and companies I have work for, at least that is what I have been told.

## Experiences:

---

### **Mason Associates / Junior Graphic Designer**

May 2012 – Present

As the junior graphic designer, I create fresh and creative design pieces for numerous clients of Mason Associates in the automotive service industry. My goal is to refine the automotive direct mail coupons with professional, eye-catching design to drive customers to dealership. We work with our clients to create effective communication and strong branding that reflects the customers' experience with their nearest dealership.

### **Vireo Marketing / Print Production Artist / Graphic Designer**

Nov 2010 – Oct 2011

As a print production artist and graphic designer, I worked with my Creative Director to create various print materials for our clients: Legend Retirement Communities, Creative Solutions in Healthcare and Dan Dipert, among others. I have also designed the initial concept to completion for projects, which included conceptualizing the branding for various new clients.

### **2M Solutions / Graphic Designer**

Dec 2007 – Nov 2010

While working for 2M Solutions I created all the marketing materials for the company, which included internal graphics and marketing materials for 2Mctv and its sister company Veilux. Projects I have worked on include: corporate identity, branding, direct marketing, brochures, catalogs, package design, trade show booths, and web graphics. I served as the Art Director, Graphic Designer, Photographer, and Writer, and was comfortable with displaying versatility in handling multiple roles.
